Burton Tu
BDR Solutions

I am writing to thank Zach Forrest for supporting VA DAIMO. He is one of the key reasons we were able to update Factor 1, Factor 2 and set up the environment Factor 3. His professionalism, can do attitude and ability to work with a larger team impressed me. His dedication, creativity, and professionalism should be acknowledged.

Throughout the effort, Zach did whatever it took to support the team. I was glad to have him with us as we presented to the government. He is a true team player.

Zach's enthusiasm, dedication, and strong work ethic makes him a valuable asset to your organization. Again, I thank Zach and recommend him without reservation to any endeavor he choses.

Sincerely,

Claudine D. Beron, PMP
